

8th Grade U.S. History Syllabus 2023-24

Curriculum: The curriculum is guided by the Oklahoma State Standards established by the State Department of Education. We will be using TCI's *History Alive! United States Through Industrialism* textbook.

Supplies Needed:

- Folder with Brads (put your name on it!)
- Notebook paper (to be maintained throughout the year)
- Pencils/erasers (to be maintained throughout the year)
- Grading pen (preferably red to be maintained throughout the year)
- 1 box Kleenex and 1 container disinfectant wipes would be greatly appreciated!
These will be used for the classroom and should be turned in to me.

Formative Assessments: We will have assignments/activities to remediate/practice/extend skills taught in class. Any assignment not completed in class must be completed by the date specified by the teacher.

Summative Assessments: Each unit/chapter will be evaluated through a summative assessment (test).

Grading: Grades will be earned through the completion of:

- Formative Assessments
- Summative Assessments

Grades will be based on a percentage. Formative assessments will be worth 40% and Summative Assessments will be worth 60%. For example:

- Formative Assessments Average = 85%
- Summative Assessment Average = 92%
- Class Average = $.40(85) + .60(92) = 89.2\%$

I will post grades each week for you to stay updated on your own grades and missing assignments.

Corrections: I allow students to improve their grades on Summative assessments in order to master the skills and concepts previously taught if and only if ALL formative assessments have been completed for that unit/chapter. These corrections must be completed in a timely manner, preferably before the next summative assessment. For each incorrect problem that is corrected, I will credit the grade $\frac{1}{2}$ the amount deducted for the first time. For example, if each problem is worth 10 points, the corrections would be worth 5 points. I will be willing to work with and help students through this process. The goal is to learn!

Make up work: Students, upon returning from an absence, will have one day for each day missed to make up work. Major assignments that were assigned earlier in the semester will be due on the designated day whether the student is in attendance or not. IT IS THE RESPONSIBILITY OF EACH STUDENT TO MAKE ARRANGEMENTS FOR MAKE UP WORK.
